SERMON ON THE MOUNT

ASH WEDNESDAY

WORSHIP SERVICES

7:00 a.m., 12:10 p.m., 7:00 p.m., Sanctuary

We begin our Lenten journey by confronting our own sin and mortality. Ashes remind us that we are going to die; however, they are marked on us in the sign of the cross to assure us of God's love for us.

ASHES TO GO

8:00-9:30 a.m., Sidewalk by Church

For those whose schedule prevents them from attending the later services, and as a public witness to passers-by, pastors will be outside of the church marking people with ashes.

#PICTURELENT

This Lent, you are invited to join Christians around the world as we all celebrate this Holy season and spend time in contemplation, self-examination, and anticipation. From daily devotions to weekly themes and resources, #pictureLent is a great way to unite your family and our faith community in moving toward Easter intentionally and passionately. Together, as we reflect on the psalms and as we share photos of our experiences, we will be connecting and sharing with others as we realign our focus, turn our hearts to God, and find ways to live as faithful disciples of Jesus Christ. We look forward to experiencing Lent together with you!

PHOTO-A-DAY

For all ages! We want to share our Lenten journey with all our friends and family, so we're inviting you to share a daily photo. We will provide a different word each day for you to contemplate and through which to seek God. Post each day on your favorite social media site with the theme and #pictureLent so we can all be inspired together!

DAILY DEVOTIONS

Each day during Lent, you can receive a devotion based on the day's theme directly in your inbox. Sign up by going to <http://lecfamily.org/lent/> and using the form to the left. These devotions are designed for people of all ages — not just for families with children!

FAMILY WEEKLY DEVOTIONS

Each week during Lent, you can also receive a devotion and reflection designed for households with children to do as a family at home. Sign up by going to <http://fumcaustin.org/subscribe-to-kids-news/>.

LENTEN WORSHIP

What did Jesus care about most, and what did he want most for those who follow him? Every year we observe the holy season of Lent to prepare for the Easter celebration of Jesus' life, death, and resurrection. This year during Lent, we're going back to the basics with Jesus by studying his most definitive teaching moment: *The Sermon on the Mount*. This season is a great time to better understand what Jesus actually taught, why he came, and what it means to follow him. Not conforming to the world's rules, traditions, or religious doctrine, Jesus' message was "unorthodox" at that time and still is today. Join us on Sundays, March 5 through April 9 as we explore this important passage of scripture.

CHURCH-WIDE STUDY

All are invited to join a Lenten small group or Sunday School class for our church-wide study of Dietrich Bonhoeffer's *The Cost of Discipleship*.

This landmark book is all about following Jesus, centered on his teaching in the "Sermon on the Mount." Published in 1937, Bonhoeffer's work offers a unique perspective from a Pastor, Theologian, Anti-Nazi dissident, and leader of a movement among German Christians to keep the Church from being co-opted by the Third Reich. *The Cost of Discipleship* is a classic, and Bonhoeffer's words have called upon Christians for generations to hear Jesus' call and follow only him.

This study runs for six weeks, always on the same day of the week and time. The last week is Holy Week. Groups are limited to 12 participants, so register now online at fumcaustin.org/smallgroups. Books can be purchased from the church office for \$10 prior to the start of the study. Address provided after registration.
