

Driving covenant between First United Methodist Church and volunteer driver

I understand that I am being entrusted with the lives of other people's children. I therefore covenant with the children, their parents, and FUMC that:

I will obey all safety and traffic laws while driving;

I will ensure that all passengers will remain buckled (both lap and shoulder belts) at all times while the vehicle is moving;

I will not exceed the speed limit;

I will not talk on a cell phone while driving;

I will trade with another driver if I am fatigued;

I will, while serving as adult passenger when another volunteer is driving, assist the driver in remaining alert and following this covenant, and will report violations to the FUMC leadership; and I have liability insurance in effect.
