INDEPENDENT AUDITORS' REPORT

We have audited the accompanying consolidated statement of assets, liabilities and net assets-modified cash basis of the First United Methodist Church of Austin, Texas, Inc. (Church) as of December 31, 2009 and the related consolidated statement of revenue, expenses and changes in net assets-modified cash basis for the year then ended. These financial statements are the responsibility of the Church's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in note 2, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets-modified cash basis of the Church as of December 31, 2009, and the revenue, expenses and changes in net assets-modified cash basis for the year then ended, on the basis of accounting described in note 2.

Our audit was conducted for the purpose of forming an opinion of the basic financial statements taken as a whole. The supplemental statement of assets, liabilities and net assets-modified cash basis, and supplemental statement of revenue, expenses and changes in net assets-modified cash basis on pages 12 and 13 are presented for additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
