

FUMC DRIVING COVENANT

I understand that I am being entrusted with the lives of other people's children. I therefore covenant with the children, their parents, and FUMC that:

- I will obey all safety and traffic laws while driving;
- I will ensure that all passengers will remain buckled (both lap and shoulder belts) at all times while the vehicle is moving;
- I will not exceed the speed limit;
- I will not talk or text on a cell phone while driving;
- I will trade with another driver if I am fatigued;
- I will, while serving as adult passenger, assist the driver in remaining alert and following this covenant, and will report violations to an FUMC staff member; and
- I have liability insurance in effect.
